I have to run to another meeting and won't be back by noon.

I did not get all the way through.

Thanks Jayne for the speedy review and helpful comments. Updated version attached to clarify things based on what you raised.

Everyone else: remember to please provide me with any edits by noon EDT tomorrow (Wed).

Thanks!

Looks great, Allison. See attached for my comments.

What is clear is that we need to know whether we are considering an approval or disapproval in order to determine a schedule or will need to put together two schedules—one for each option.

Subject: Draft Key Points and Considerations for Managers Meeting

All--

Had some time this morning to pull together the attached to help guide Managers discussion RE: NWEA meeting on the 7th. Welcome any comments (as well as specific EPA additions on FY14 funding, see yellow highlights).

Feedback by noon (EDT) on Wed. appreciated so have time to incorporate edits and send to managers prior to call.

Thanks,
Allison
